

Pharmacy	In-Network	Out-of-Network
Cost Share and Supply		
Cigna Pharmacy Cost Share <ul style="list-style-type: none"> Retail – up to 90-day supply Home Delivery – up to 90-day supply 	Retail (per 30-day supply): Generic: You pay \$7 Preferred Brand: You pay \$22 Non-Preferred Brand: You pay \$40 Retail and Home Delivery (per 90-day supply): Generic: You pay \$14 Preferred Brand: You pay \$55 Non-Preferred Brand: You pay \$100	Not Covered
<ul style="list-style-type: none"> Retail drugs for a 30 day supply may be obtained In-Network at a wide range of pharmacies across the nation although prescriptions for a 90 day supply (such as maintenance drugs) will be available at select network pharmacies. Cigna 90 Now Program: For specified maintenance medications, you must obtain a 90-day prescription (filled at either a 90-day network retail pharmacy or network home delivery pharmacy) for the medication to be covered by the plan. Otherwise, after three 30-day fill(s), you pay the entire cost of the prescription. Specialty medications are used to treat an underlying disease which is considered to be rare and chronic including, but not limited to, multiple sclerosis, hepatitis C or rheumatoid arthritis. Specialty Drugs may include high cost medications as well as medications that may require special handling and close supervision when being administered. Patient is responsible for the applicable cost share based upon the tier of the dispensed medication. Exclusive specialty home delivery: Specialty medications must be filled through home delivery; otherwise you pay entire cost of prescription after 1 Retail fill. Some exceptions may apply 		
For Delaware and Vermont residents: For prescription drug plans that include a mail order drug plan (home delivery), the copayment for a 90-day supply at retail or mail order pharmacies will be equal to three times the copayment for a 30-day supply. The copayment for a 90-day supply when obtained from either a retail or mail order drug pharmacy will be equal. The mail order drug plan coinsurance level for a 90-day supply will be the same as the retail coinsurance level. Each prescription order or refill will be limited to up to a consecutive 90-day supply at a mail order or retail participating pharmacy, unless limited by the drug manufacturer's packaging or other applicable law.		

Drugs Covered

Pharmacy Program Information

Pharmacy Clinical Management

Your plan features drug management programs and edits to ensure safe prescribing, and access to medications proven to be the most reliable and cost effective for the medical condition, including:

- Prior authorization requirements
- Quantity limits, including maximum daily dose edits, quantity over time edits, duration of therapy edits, and dose optimization edits
- Age edits, and refill-too-soon edits
- Plan exclusion edits
- Your plan includes Specialty Drug Management features, such as prior authorization and quantity limits, to ensure the safe prescribing and access to specialty medications.
- For customers with complex conditions taking a specialty medication, we will offer Accredo Therapeutic Resource Centers (TRCs) to provide specialty medication and condition counseling. For customers taking a specialty medication not dispensed by Accredo, Cigna experts will offer this important specialty medication and condition counseling.
- Step Therapy on select classes of medications and drugs new to the market.
- Current users of Step Therapy medications will be allowed 30-day fill during the first three months of coverage before Step Therapy program apply
